

Atlanta Plays It Forward Announces its 2018 Concert Series

Atlanta Plays It Forward is a not-for-profit organization dedicated to supporting worthy charitable/community organizations and causes. We provide high quality musical entertainment and event related services at little or no cost (or value-added) to pre-qualified charities and causes.

These beautiful, well-appointed venues and concerts are fully managed and promoted by **Atlanta Plays It Forward** during the day of each concert and each show supports a selected charity. All concerts are comprised of unique musical acts, always family friendly, by professional performers. Show genres vary from jazz, rock, musical revue, dance, etc and are usually picnic style, meaning concertgoers may bring their own picnic. Tickets are either for table seating (tables, chairs provided) or lawn seating (bring your own lawn chair).

Get ready to dance! Outdoor concert – alcohol allowed. The setting is intimate and relaxed at the picnic grounds of beautiful Berkeley Lake, located behind the Berkeley Lake Chapel.

The Mountain Park Live concert is a rockin' evening on the lake at Mountain Park's Lakeside Gazebo. Plenty of fun, activities for the kids, and limited food. It will be outdoors near the lake in front of City Hall. Bring your picnic, a blanket or lawn chairs/tables.

T.G.I.F. Concert Series

Under the stars at the beautiful Chukkar Farm pavilion. All concerts start at 8 p.m. on the 3rd Friday of the month May-October.
